Brief update: Education package

- Voluntary, free-of-charge kit
- To be used in high school curricula, as part of social science classes.
- Consist of several short videos that offer an accessible and comprehensive introduction to the phenomenon.
- Teachers and students may find more in-depth material in the first [action book](#).
- May be used as a basis for discussion in class, or as a high quality source in a school project.

Populist Political Communication in Europe shared
 COST - European Cooperation in Science and
 Technology's post.

Published by Toril Aalberg [?] · October 6 at 2:23pm · 🌐

Thank you COST, we do our best to reach out to various key stakeholders, from European politicians and journalists to young citizens.
